Let the legend takes you, in every turn, and every acceleration. Because you are not just driving, you are forging a legacy.

THE SHAPE OF LEGACY

With JIMNY's legendary design, cruise across any terrain with style. The tough and remarkable exterior is built to withstand any obstacle.

ELEVATE YOUR COMFORT & CONNECTIVITY

6.8" TOUCHSCREEN HEAD UNIT
HD Resolution with Bluetooth***, USB, Smartphone Connection, Vehicle Status Display on Jimny 3-door.

9" TOUCHSCREEN HEAD UNIT*
HD Resolution with Bluetooth***, USB, Smartphone Connection, Vehicle Status Display on Jimny 5-door.

Apple CarPlay*
Connect your iPhone to the infotainment system wirelessly or via USB to enable hands-free telephone calls, listen to music, have texts read out, or dictate messages.

android auto*
Connect your device via a USB socket to access various applications from Google without losing your focus.

LADDER FRAME CHASSIS

Built with a robust Ladder Frame structure, the Jimny guides you through rugged topographies. Paired with full-width rigid axes at the front and rear, it conquers the most challenging paths.

Whether on smooth or challenging roads, simply shift the transfer lever.
2H: For driving at normal speeds on roads (asphalt/gravel).
4H: For off-road driving.
4L: For navigating rough rocks, mud, and more challenging terrain.

3-LINK RIGID AXLE SUSPENSION WITH COIL SPRING

The Jimny, with its tough 3-link suspension and rigid axes at both the front and rear, ensures stability on any terrain. The rigid axle suspension pushes one wheel up while the axle presses the other down, especially in rough road conditions.

ENGINE PERFORMANCE

The responsive 1.5L K15B engine maintains off-road driving capability, producing strong torque throughout RPM range to provide unwavering power for conquering any terrain.

LUGGAGE AREA USABILITY

ELEVATE THE JOURNEY WITHIN

This is where tech and comfort meet, crafted with premium materials. Every drive is elevated, making the exploration an unforgettable experience.

Cruise uncertainty confidently with the legacy. In every turn and every acceleration, embrace the thrill of the journey.

SAFER ADVENTURE AHEAD!

Buckle up for the roughest road! Safety shield will protect without a doubt. Ensuring safety is essential, whether in the wilderness or city.

AIRBAGS

Be extra prepared to navigate uncertainties with the six airbags for 5-door & dual airbags for 3-door, ensuring your safety.

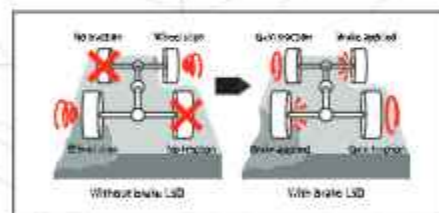

HILL DESCENT CONTROL

Control your vehicle speed gracefully while descending steep roads.

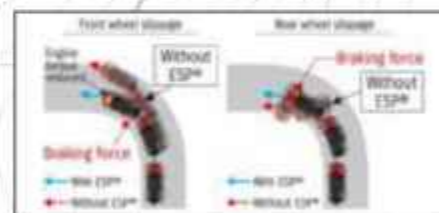

HILL HOLD ASSIST

Prevent the vehicle from rolling backward when bravely facing a new peak.

BRAKE LIMITED SLIP DIFFERENTIAL TRACTION CONTROL

Experience quicker brake response with reduced pedal pressure and improved braking performance to prevent slipping on slippery surfaces.

ESP** (ELECTRONIC STABILITY PROGRAMME)

Enhances braking stability on slippery and curved roads, preventing both oversteer and understeer.

TECT BODY

The frame structure effectively absorbs and distributes energy during bumps and crashes, ensuring the cabin space remains more intact.
